A big bunch of effects really put the icing on the cake I'd don't think I'd buy these effects to mix with, but as a complement to the sound engine I think they're fine.. If you want a complete review you better head over to the Sound on Sound website and make sure you read the manual! This is also just a very personal opinion on Omnisphere and the reasons why, for me, it's a great product.. 1: Textures Playable – patches using the standard tuning system and with a sort of tonal foundation.. Journeys is a new soundset for Omnisphere 2 with an experimental character It contains 128 patches created from the original Omnisphere 2 soundsources and they are divided into 2 categories.
